TEACHING ASSISTANTS (fixed term until 31/8/21)
Bournemouth Grade 4 £19,171 - £20,344 F.T.E/pro rata
Term time only: September 2020 start

We have several Teaching Assistant positions available in our school to start in September. The roles will involve working closely with the class teachers and any other teaching assistants to meet the needs of the class as well as individual children with SEND.

The positions are full days, 5 days a week, 8:35-3:15. Duties will include lunchtime duty and there may be additional hours available for breakfast club or after school club.

We are keen to recruit staff who fall into one of the following categories:

A RECENT GRADUATE who is considering entering the teaching profession and wishes to gain some experience before applying to initial teacher training providers. We have had 8 teaching assistants in the past few years who have gone on to teacher training with local providers who we have strong links with. We will offer training on the job for this role, as well as training and opportunities to prepare you for teacher training/interview.

You must have a genuine interest in working with children and entering the education profession. You will have lots of energy, resilience, be keen to learn and willing to have a go. We would welcome any specialist skills such as music, art, drama, dance or sport etc as we would work with you to ensure you get the opportunity to develop these with our children.

AN EXPERIENCED TEACHING ASSISTANT OR PREVIOUS TEACHER looking to work in a school in a different capacity. We are looking for flexible, positive people with a drive to go 'over and above' who have knowledge and understanding of a range of learning barriers including communication, behavioural, and emotional needs. We are always looking for people with additional talents, skills or interests that will add to our wider curriculum.

Application packs are available on the school website.
